^{***} Assisted Living / Skilled Nursing Resource: Texas Department of Aging and Disability Services Long-Term Care Provider (https://apps.hhs.texas.gov/LTCSearch)

A Type A facility may care for residents who are physically and mentally capable of evacuating the facility unassisted, do not require routine attendance at night and are capable of following directions in

A Type B facility care for residents who may require help to evacuate, are incapable of following directions under emergency conditions, require staff attendance at night and require assistance transferring to and from a wheelchair.

A Type C facility is a 4-bed facility that meets minimum standards for enrollment with the Department of Aging and Disablitity Services (DADS) as an adult foster care facility.

Intermediate Care Facilities (ICFs/IID) range from homes where a few people live together to state supported living facilities where many people reside. Residents get help with things such as 1) Active treatment to help them be as independent as possible, 2) Taking medicine, and 3) Dressing, cooking or bathing.
